LANTANA NAMED “COMMUNITY OF THE YEAR” AT LOCAL INDUSTRY AWARDS CEREMONY

(DALLAS, TX – April 17, 2006) – Lantana was named Dallas/Fort Worth’s “Community of the Year” by the Home Builders Association of Greater Dallas (HBA) at the 2006 McSAM Awards (Sales and Marketing Council) ceremony on April 8. This prestigious award is judged on the concept of the development, its use of land, landscape design, architecture, continuity of theme and sales success.

The McSAM Awards were created in 1979 by the Sales and Marketing Council of the HBA in recognition of Sales and Marketing excellence. The award is given to builders, developers and associates who have made significant and creative contributions in residential marketing through specific achievements during 2005.

“We are absolutely thrilled to receive this honor again and truly believe that Lantana is a one of a kind community,” said Teresa Carson, Vice President of Marketing for Lantana. “A developer’s vision and attention to detail make a world of difference in a community like Lantana. From the landscape design, the fantastic resident amenities to the design of the homes – every aspect has been addressed in creating an ideal place to call home for our residents.”

Together with the community honors, Lantana also earned awards for best Development Logo, Multimedia Piece, Black and White Newspaper Ad and Sales Promotion for Developer.
